NO-GERMS™

Hand Wash & Hand Sanitiser

Accredited, effective and safe hand wash and hand sanitiser that are the best possible products for cleansing and sanitising.

NO-GERMS™ *Hand Wash*

PHS Washrooms are proud to introduce the new NO-GERMS™ Hand Wash, which is now available with the push soap dispenser.

The new moisturising hand wash can last for twice as many uses as similar sized liquid soaps and is alcohol, sulphate and paraben free.

The 1 litre Push Soap Dispenser services unit incorporates SteriTouch® antibacterial surface protection.

NO-GERMS™ Hand Wash is:

- Twice the moisturisation of anti-bacterial soap
- Starts to kill germs in less than 15 seconds
- Kills up to 10 times the germs of liquid soap

NO-GERMS™ *Hand Sanitiser*

NO-GERMS™ Hand Sanitiser alcohol-free foam is the UK's number one product in this category, and is available as a serviced product from PHS Washrooms.

NO-GERMS™ Hand Sanitiser is:

- Proven to kill swine flu in 30 seconds and starts to kill viruses in less than 15 seconds
- Effective against MRSA, E.coli, Salmonella and Flu viruses
- Remains effective for up to 4 hours per application
- Extremely safe and can be used by children of all ages
- Suitable for frequent use, NO-GERMS™ will not dry the skin unlike some alcohol-based gels, and contains moisturisers such as Aloe Vera, Lavender and Chamomile
