

PHS Smart Step – fitted

Internal only

Loop-Pile Construction

PHS Smart Step is an exceptionally versatile modular entrance matting system that creates a stunning first impression in spaces that need to create an effective barrier against the elements.

Designed to provide a superior combination of performance and aesthetics, the ECONYL® dual-fibre loop polyamide yarn construction will stop dirt and moisture at the door, while allowing easy removal during maintenance. The tiles are supplied in 50cm x 50cm size and in a 9.9mm gauge with each box containing 12 tiles which assemble to 3m².
