

Soap **sanitiser/dispenser**

➤ This 1 ltr dispenser can be used for soap or hand sanitiser, helping to encourage good hand hygiene no matter what the environment.

Practical and hygienic

The 1 ltr Dispenser is constructed from strong, sturdy ABS plastic and features a non-clog, non-drip valve. For maximum hygiene, it incorporates antibacterial protection which is proven to reduce the spread of pathogenic germs such as E.coli, MRSA and Salmonella.

Alcohol free sanitiser

The UK's number one alcohol free hand sanitiser. Paraben and sulphate free, it's proven to kill 99.9% of germs including MRSA, it is fast acting, starting to work in less than 15 seconds. It's effective for up to 4 hours against germs and up to 2 hours for viruses, and is suitable for frequent use as it contains natural moisturisers such as aloe vera, chamomile and lavender so doesn't dry out hands.

The active ingredient is a natural extract from coconut (Benzethonium Chloride), making it safe for all users including children.

Antibacterial soap

The antibacterial soap moisturising hand wash provides antibacterial peace of mind when hand washing. It offers 10 times the antibacterial kill properties of washing hands with ordinary liquid soap, and its fast acting formula starts to kill germs in less than 15 seconds. It is alcohol, sulfate and paraben free and with added moisturisers leaves hands hygienically clean and soft.

Contractual consumables

Our contractual consumable service takes the hassle away from having to regularly re-order and store stocks of consumables such as hand sanitiser or soap. We automatically dispatch consumables to you on a regular basis, and with free dispensers and installation on every 3 year contract, you can be sure you're getting a great deal.

Key features:

Choice of push or 'no touch' auto operation

Antibacterial surface protection

Push operation dispenser offers a choice of antibacterial liquid soap, foam soap or hand wash

Auto operation dispenser available with antibacterial liquid soap

Fully serviced

The dispenser is fully serviced, with the service frequency matched to the footfall and usage pattern, so you can be sure that it will be kept topped up and dispensing without any input from your staff.

After every service, you'll receive an immediate automated email confirmation detailing the site and products serviced. We'll provide a time-captured signature, showing exactly when your service was carried out and who acknowledged our visit, so you can be sure you've got a complete service audit trail.
