

## Moisturiser & 1L Push/Auto Liquid Dispenser

➤ Invest in reliable and readily available hand moisturiser to help prevent damage to hands.

Regular hand washing and sanitising can be tough on our hands; causing them to become dry or irritated. To prevent dry hands, **phs** offer a high quality moisturiser that will help maintain healthy hands. This moisturiser is designed to be used with a 1L Push or Auto Liquid Dispenser. The Sea kelp moisturiser will hydrate and nourish your skin, leaving not only your skin but your senses revitalised and refreshed due to the invigorating fragrance.

### Key features:

The 1L Push and Auto Liquid Dispensers are constructed from sturdy ABS plastic and feature a non-clog, non-drip valve. For maximum hygiene, they incorporate anti-microbial protection which is proven to reduce the spread of pathogenic germs such as E.coli, MRSA and Salmonella.

### Moisturiser and 1L Push/Auto Liquid Dispensers are available on the following basis:

- 6/12pa fully serviced or contractual consumables options
- Hygiene station with hand sanitiser or stand-alone unit
- Custom graphics panel can be added for an additional cost

### Contractual consumables

Our contractual consumable service will automatically dispatch moisturiser to you at a frequency of your choosing.

### Fully serviced

As part of the fully serviced option, a **phs** technician will refill your moisturiser and service your dispenser based on your usage. Ensuring your dispenser is always topped up without any input from your staff.
