

Hand sanitiser dispenser

➤ Keep hands hygienically clean in any situation. Ideal for areas where soap and water aren't available, the Hand Sanitiser Dispenser offers an easy and effective hand sanitising option.

Hygienic operation

With its large 1ltr capacity, and hygienic auto 'no touch' operation, the Hand Sanitiser Dispenser offers the ideal, hygienic hand cleansing solution for areas with high levels of use, and offers a choice of alcohol based or alcohol-free hand sanitisers. It can also be wall or stand mounted.

Sanitiser with alcohol content

Provided as a bulk fill cartridge, the sanitiser has a minimum alcohol content of 70% and has been proven to kill NDM-1 – an enzyme that makes bacteria resistant to a broad range of antibiotics.

Alcohol free sanitiser

The UK's number one alcohol free hand sanitiser. Paraben and sulphate free, it's proven to kill 99.9% of germs including MRSA, it is fast acting, starting to work in less than 15 seconds. It's effective for up to 4 hours against germs and up to 2 hours for viruses, and is suitable for frequent use as it contains natural moisturisers such as aloe vera, chamomile and lavender so doesn't dry out hands.

The active ingredient is a natural extract from coconut (Benzethonium Chloride), making it safe for all users including children.

Contractual consumables

Our contractual consumable service takes the hassle away from having to regularly re-order and store stocks of consumables such as hand sanitiser.

We automatically dispatch consumables to you on a regular basis, and with free dispensers and consumable prices fixed for 3 years, you can be sure you're getting a great deal.

Key features:

Can be wall or stand mounted, making it ideal for all environments

Available with alcohol gel or alcohol free

Automatic 'no touch' unit helps prevent cross-infection

Non clog, non drip valve

Fully serviced

The Hand Sanitiser is fully serviced, with the service frequency matched to the footfall and usage pattern, so you can be sure that it will be kept topped up and dispensing sanitiser without any input from your staff.

After every service, you'll receive an immediate automated email confirmation detailing the site and products serviced. We'll provide a time-captured signature, showing exactly when your service was carried out and who acknowledged our visit, so you can be sure you've got a complete service audit trail.

| Size | Weight | Operation | Capacity |
|-------------------------|--------|--|----------|
| 15.9cm x 29cm 13.8cm | 2.23kg | Automatic infra-red, battery operated | 2 litres |
