

# Baby trolley

> Safe, sturdy and convenient

Designed with flexibility in mind, the baby trolley provides a convenient, mobile nappy changing station.

## Efficient

The unit is provided with our 24/7 free emergency product service, helping you deal with unforeseen issues or unexpectedly high numbers. We're here 24/7 to take your calls, and will carry out an emergency service on the next working day (working days are Monday- Saturday).

## Practical

A lightweight yet very strong and durable baby changing table, the portable baby trolley features a moulded shape that will cradle and fully support babies up to 30 months. The smooth finish of the surface ensures it can be easily wiped clean between uses.

### Key features:

Lockable safety strap

Lockable castors for maximum stability

Moulded shape fully supports babies and children up to 30 months old

Strong, fibre reinforced polyester and steel construction

### Product specifications

Size 87cm x 90cm x 50cm

## Important Safety Information

Please note the Baby Trolley will hold up to 125kg

## Construction

Fibre reinforced polyester and powder coated steel construction
