

5L Kids **little stand**

➤ Encourage children to maintain good hand hygiene with our reliable manual 5L hand sanitiser station

The 5L Kids little stand provides a colourful way to encourage good hand hygiene and reduce the spread of germs amongst children. It is designed to provide a non alcoholic based liquid hand sanitiser in building entrances and key locations. It comes with a lockable compartment that can store 3x5L bottles.

Key features:

- Pump dispensing 1ml of sanitiser per activation
- 5,000 doses per 5L bottle
- Additional built in storage capacity for 3x5L bottles of sanitiser
- Lockable cabinet for increased safety
- Removable stainless steel drip tray for easy cleaning
- Drip tray provided to avoid spillages
- Alcohol sanitiser and alcohol free sanitiser can be used in the dispenser

Benefits:

- A perfect solution to encourage children to sanitise their hands
- Easy access for children as the height of the stand is 60cm
- Colourful design of the stand will attract children's attention
- Can be replenished as part of a phs service contract or supplied on a contracted consumable
- Stand made shorter at a children's height making it more stable and sturdy
